Instruction on Submission to OCAMI Preprint Series

From 2008, by renewal our previous preprint series “Osaka City University Mathematical Preprint Series”, as one of the projects at OCAMI we have started the Osaka City University Advanced Mathematical Institute Preprint Series. Your contributions to OCAMI Preprint Series will be welcome!!!

Who can submit to OCAMI Preprint Series? :

OCAMI researchers, staff members in Department of Mathematics, visiting researchers (of long and short terms), guest researchers and professor, graduate students of OCU, other researchers agreed by the director of OCAMI.

What manuscript can you submit to OCAMI Preprint Series? :

Preprints of research papers and articles, (formal or informal) lecture notes, short notes, research reports of graduate students, proceedings of meetings, copies of presentation slides at conferences, and so on.

How can you submit to OCAMI Preprint Series? :

Please send

(1) the name(s) of the author(s), the title of your manuscript
(in English) , and

(2) the PDF file of your manuscript

by e-mail to Ms. Yuko Komori (secretary of OCAMI)

y-komori@sci.osaka-cu.ac.jp

After the agreement by the director, the submitted manuscript will be uploaded.

Sincerely yours,

Akio Kawauchi
The Director of OCAMI
