

Application Form for VariMAX Measurement Request

No.

The following is entry-free.					
Name		Use Due Date		Submitted Date	

- Use time is until 12:00 of the next day at 12:00. (Any sample is very OK.)
- You cannot make next reservation until one reservation is over.
- When you understand that it takes measurement more than 24 hours beforehand, please fill in the necessary days. Only when it takes it with 1 sample more than 24 hours, it is possible to continue it more than 12:00 of the next day. (Prior consultation is necessary.)
- When you make a reservation, please submit the application form after you confirm there is no reservation on the use due date.
- When you cancel it, you should e-mail it.
- If you reserve again after you cancelled once, you must submit the application form again.
- After VariMAX use, please fill in a matter necessary for the use list.

As the measurement client, please fill it out about the item of the bold-faced & under bar part.
