

Application Form for Trace Elementary Analysis

Applied Date (Month, Day, Year) : _____ (Reception Date: _____) No. _____

Name of Institute : (Ex. _____)	Name :
Name of Compound (Abbreviation):	Melting (Boiling) Point : _____ °C
Contained Element (Molecular Formula) :	
Expected Rate of Content : C = _____ . _____ % , H = _____ . _____ % , N = _____ . _____ %	
Molecular Structure	Property : absorbency, volatility, explosiveness
	Drying Process : _____ °C _____ hr.
	Other Desired Matter
	Measured Date :

Analytical Center, Graduate School of Science, Osaka City University
