Y. Ohnita,

*Certain Lagrangian submanifolds in Hermitian symmetric spaces and Hamiltonian stability problems*,

**List of Misprints and Corrections**

p.226, line 12 from the last line:
“Lie group $G$”
should be
“Lie group $K$”.

p.228, line 16 from the last line:
“when $n$ is odd”
should be
“when $n \geq 3$ is odd”.

p.229, line 1 from the first line:
“There are homogeneous case and non-homogeneous case”
should be
“there are homogeneous ones and non-homogeneous ones”.

p.229, line 8 from the last line:
“Suppose that $g = 4$ is homogeneous and”
should be deleted.

p.230, line 10 from the last line:
“Harunobu Sakurai”
should be
“Motoharu Sakurai”.

p.230, line 9 from the last line:
“property”
should be
“property”.
