

International partner institutes for international joint research

Agreement institutes

Korea Advanced Institute of Science and Technology (KAIST) BK21 Development Project of Human Resources in Mathematics	Korea
Pusan National University, Department of Mathematics	Korea
Kyungpook National University, Department of Mathematics	Korea
Kyungpook National University, Research Institute of Real & Complex Manifolds	Korea
National Taiwan University(NTU), National Center for Theoretical Sciences(NCTS)	Taiwan
National Taiwan University (NTU), Taida Institute of Mathematical Sciences(TIMs)	Taiwan
Dalian University of Technology, School of Mathematics	China
Nankai University, Chern Institute of Mathematics (CIM)	China
East China Normal University, Department of Mathematics	China
Soochow University, School of Mathematical Sciences	China

International partner institutes for the Circulation of Talented Researchers

University of California, Davis, Department of Mathematics	USA
Cornell University, Department of Mathematics	USA
The University of Massachusetts Amherst, Department of Mathematics and Statistics	USA
University of Cambridge, Department of Pure Mathematics and Mathematical Statistics (DAMTP)	UK
University of Portsmouth, Institute of Cosmology and Gravitation	UK
King's College London, Department of Mathematics	UK
University of Milan, Department of Mathematics	Italy
University of Toronto, Department of Mathematics	Canada
McMaster University, Department Of Mathematics & Statistics	Canada
Korea Advanced Institute of Science and Technology (KAIST), Department of Mathematical Sciences	Korea
National Taiwan University, Center of Advanced Study in Theoretical Sciences (CASTS)	Taiwan
Tianjin University, Center for Applied Mathematics	China
Nankai University, Chern Institute of Mathematics (CIM)	China
University of Tübingen, Department of Mathematics	Germany
University of Bonn, Institute for Applied Mathematics	Germany
Budapest University of Technology and Economics, Institute of Mathematics	Hungary
University of Strasbourg, Department of Mathematics	France
Université Paris Diderot Paris 7, Astroparticle and Cosmology Laboratory	France
University of Bordeaux, Department of Mathematics	France
Lomonosov Moscow State University, Department of Mathematics	Russia
Russian Academy of Sciences, Steklov Institute of Mathematics	Russia
Institute for Theoretical and Experimental Physics (ITEP)	Russia
Higher School of Economics, Faculty of Mathematics	Russia
