

About Acknowledgments in Papers/Articles

In April 2019 Osaka City University Advanced Mathematical Institute (OCAMI) has been authorized as “MEXT Joint Usage/Research Center on Mathematics and Theoretical Physics” and has started several new projects. With the opening of Osaka Metropolitan University, which merged Osaka City University and Osaka Prefecture University, from April 2022 the name of our institute was changed into “Osaka Central Advanced Mathematical Institute (OCAMI)” .

In this regard, we would like to request you to indicate OCAMI in Acknowledgements of your papers and related articles supported by OCAMI Joint Usage/Research projects. Please describe it as below for example. We are deeply grateful to you for your cooperation in advance.

(Example of Acknowledgements)

This work was partly supported by Osaka Central Advanced Mathematical Institute (MEXT Joint Usage/Research Center on Mathematics and Theoretical Physics JPMXP0619217849), Osaka Metropolitan University.

We also would like to request you to indicate OCAMI on the webpage or poster of workshops supported by OCAMI Joint Usage/Research projects. Please describe it as below for example. We also appreciate your cooperation in advance.

Support: Osaka Central Advanced Mathematical Institute (MEXT Joint Usage/Research Center on Mathematics and Theoretical Physics JPMXP0619217849), Osaka Metropolitan University.

We also would like to encourage you to submit preprints of your papers/articles (with Acknowledgements) to **OCAMI Preprint Series**, **arXiv**, etc. When the preprints are submitted to arXiv, etc., please send its information to **the OCAMI office** by email.

For details of **OCAMI Preprint Series**, please refer to the following link:

<https://www.omu.ac.jp/orp/ocami/publications/preprint-series/>

The OCAMI Preprint Series was registered as Institutional repository at Osaka City University. So if the author wishes, then it is possible to give DOI (Digital Object Identifier) to the paper/article. However notice that any papers with DOI cannot be published elsewhere. When the papers submitted to the OCAMI Preprint Series are published elsewhere, please tell the publication information to the OCAMI office promptly.

Yoshihiro Ohnita
Director
Osaka Central Advanced Mathematical Institute
